relaxed feeling

## Time Technoplast Ltd.

Time Technoplast Ltd., is a multinational company engaged in the manufacture of innovative Polymer products based on technology. Its business segments such as Industrial Packaging, Infrastructure, Lifestyle, Auto Components, Material Handling Solutions, Composit Cylinders, Healthcare Products caters to discerning customers.

### ***Duromatting*** - The world's largest selling mats

Time Tech has redefined the Indian matting industry with Duromatting - its range of market leading brands like DuroTurf, DuroSoft, DuroWipe, DuroRubb, Duro Car Mats and Meadowz Instant Lawns with more than 20 million loyal customers. Bringing a sweeping change in the lives of more than a million satisfied customers Time has launched its unique product call Duro Active Mat for Industrial use.

Duro Active has been ergonomically designed, to cater specifically to the segment of workforce that spends long hours at work in standing posture. Its anti fatigue property coupled with the cushion effect makes Duro Active an ideal foot rest for the user. The ergonomic design enhances blood flow to the legs, thereby reducing pain. Duro Active is a recommended product across industries like retail, hospitality, printing & packaging, healthcare, Beauty & Salon etc.

- Duro Active top surface manufactured directly into the mat for long lasting protection
- Diamond Tread Pattern on top surface
- All four sides are tapered to minimize trip hazards

## BENEFITS
